Union Evangelistic Service at Congregational Church-Ladies' Aid Society Has Recital and Social-Local Men-

The union evangelistic services were continued in the Greeneville Congregational church Monday evening, beginning at 7.30 o'clock with Alexander hymns sung by a chorus under the direction of George A. Turner, after a cordial welcome by Rev. Charles H. Ricketts. Prayer was offered by Rev. William T. Thayer, Rev. George H. Ewing and Rev. E. S. Worcester, and Arthur R. Blackledge rendered the solo What Will You Do With Jesus? The sermon was preached by Rev. P.

The sermon was preached by Rev. P. C. Wright, who took for his scripture reading the passage in Matthew 17, of Jesus curing the epileptic. The disciples had failed in their attempt to cast the devil out of this man, falled after success, and they came to Jesus with the question. Why could we not east it out? And he told them they lacked a certain thing—they were of little faith.

A weak faith will cower every time; it will sit down and see all the difficulty and all the impossible. No little faith will ever overcome an evil. But we have no reason for little faith. The tides and changes cannot stir the rock on which we stand. Jesus Christ never. on which we stand. Jesus Christ never changes. He is our Saviour and our helper, and he is just as much of a force in the world today as he ever

brings us to Jesus Christ and gains for us a vital experience. Prayer helps us to become intercessors, as Jesus Christ hand of God. Prayer helps us to become intercessors at the right hand of God. Prayer helps us to be come witnesses, and then we can go and tell our neighbors of Christ. We shall succeed in life when we go before Jesus Christ and pour out our souls to him.

The services are to be continued each night this week, with Rev. P. C. Wright as preacher, and a chorus with A. R. Blackledge as soloist and Miss Elizabeth Crowe organist.

John A. Moran said he signed the

thought the matter was brought by ill

Mr. Moran di-rected his remarks to G. E. Pitcher, whom he thought fathered the petition and referred to a letter printed in Monday's Bulletin.

George Kampf stated that the last time the matter was up it concerned only one side of the street, but now walks are wanted on both sides. There are 46 families who use it and so do the Polish people in getting to their church. He said they proposed to keep at it until they get walks on both sides. He has lived there over 30 years and there is no feeling in the matter—simply a need of the people. He said the walks could be stopped at the ledges, where the expense would be
